17. ABSTRACT (MAX. 250 WORDS)

Listed are over 100 books purchased to be circulated to the gifted centers. The range of subject matter includes all areas of the traditional curriculum such as language arts, science, social studies, mathematics, and creative arts. Also included are many books to enrich the interests, hobbies, and knowledge of gifted elementary students. Among them are reference books, biographies, fiction, and books on all aspects of world civilization.
